To All Castle Rock Residents:

The Board of Directors and I would like to bring you up to date on another successful year in our community. There was a good number of community projects completed this year in Castle Rock.

Here are the projects completed this year in our community:

- Added six additional American flags for a total of 14 on display.
- Replaced coping and transition tiles on the pool.
- Enhanced pool annex drainage and added bull rock.
- Removed and replaced entrance landscaping including freeze damaged landscaping.
- Added new LED lighting at entrance.
- Drainage cleanout on Deep Stone (following annual meeting)

We are continuing to address the following concerns:

- Common area fence repairs as needed
- Weed control with city parks department
- Property development on oppsite side of bridge

Thank you to everyone that attended the annual meeting and provided input to better allow the board to serve our community.

With Thanksgiving and Christmas holiday season here, please be safe and remember to secure your home when traveling. The Association Board of Directors would like to thank you for your support this past year.

Respectfully,

Miles Enzor, President
