To All Castle Rock Residents:

The Board of Directors and I would like to bring you up to date on another successful year in our community. There was a good number of community projects completed this year in Castle Rock.

Here are the projects completed this year in our community:

- New furniture for pool annex
- Annual fence maintenance
- Fire lane gate painted
- Pressure washed stone columns along WDF
- Removal of diseased junipers along WDF common area
- Community events – Spring Festival and 4th of July Parade

We are continuing to address the following concerns and/or topics:

- Updating the landscape in certain common areas
- Common area fence preventative maintenance
- Community involvement in CS advisory board meetings.

With the holiday season here, please be safe and remember to secure your home when traveling. The Association Board of Directors would like to thank you for your support this past year.

Respectfully,

Miles Enzor, President
